

## **P6b Plan – w/c 08.06.20**

Good morning everyone!  
I hope you all enjoyed your weekend! ☺

This week is movie week!

Most of this week's tasks are linked to different movies.

This week I would upload all tasks for Monday to Wednesday to our virtual classroom and you can complete these tasks in whichever order suits you.

Remember that our virtual classroom can be found on the righthand side of our Glow page. You should also be able to access it via the link below:

[https://glowscotland-my.sharepoint.com/:b:/g/personal/gw19doylehelen\\_glow\\_sch\\_uk/EftpwY8QbrBKih-dLxj\\_0gBtxQ6QiFI5I9Reoyc-YgmCA?e=5OLvSU](https://glowscotland-my.sharepoint.com/:b:/g/personal/gw19doylehelen_glow_sch_uk/EftpwY8QbrBKih-dLxj_0gBtxQ6QiFI5I9Reoyc-YgmCA?e=5OLvSU)

Feel free to complete these tasks in whichever order you decide. However, I would suggest trying to complete a literacy task and numeracy each day (mental maths and some sumdog).

### **1. Literacy:**

-You will find the tasks in the different objects placed around our virtual classroom.

-For example, if you click Harry Potter, this will take you to a task based on a scene from Harry Potter and you must first go to the document to access the link which will take you to the scene related to the task.

-Also, one of the tasks is a two day task called Best Film Award. You will find this task if you click on the Oscar award on the shelves in our virtual class.

-There are four tasks in total to be completed - Best Film Award (two day task), What Happens Next, Spiderman task and Wonder Woman task.

### **2. Numeracy:**

-For numeracy this week, go onto Sumdog and take part in the North Lanarkshire schools challenge, which ends on Thursday!

Let's try and get onto the leader board and win!

Remember a class needs at least 10 players to reach the leader board.

I know we can do it! Good luck!

-I have also uploaded our mental maths for this week which you will find by clicking on the calculator in our virtual classroom.

### **3. R.E.:**

-This weeks Children's Liturgy can be found by clicking on the statue of Our Lady. It starts with a reading from the Gospel according to St John and is about how much God loves the world and everything in it. Have a listen and tell me your thoughts. At the end of the video there is a craft activity showing you how to make a bird feeder which I know many of you will enjoy!

### **4. P.E.:**

-You will also be able to access Joe Wicks daily workouts by clicking the football. ☺

### **5. Art:**

-There are art activities dotted around our virtual classroom this week. Try to find them and try them out! I can't wait to see your artwork! ☺

This week I am back in school but will have time in the morning and afternoon to help with anything at all and to answer any questions you may have.

Remember to just try your best and do what you can. ☺
