Literacy

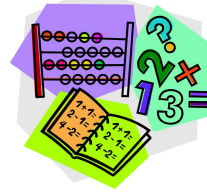

Write a story with the title 'A Wintery Day'. Have something exciting happen in your story.

Using your last set of common words, write four 'silly' sentences containing these words.

Read some books at home and write down their titles.

Numeracy

Use the squared paper to complete these sums. Write them as 'upstairs downstairs' sums and don't forget to leave space between each one.

Cross Curricular

With an adult, look through cookbooks, supermarket leaflets / magazines or the internet for healthy recipes. Find and write down your favourite. If you can, why not try making one of these healthy recipes together? (Take pictures too and bring them into school!!)

Just for Fun!

Remember our 'trapped in a snowglobe' stories?

Draw a picture of you, or someone you know trapped in a snowglobe! What will be with them? An igloo, a snowman, a friendly penguin perhaps?

Turn to the next page if you need lined or squared paper to complete your tasks!
