

## Saint Brendan's Nursery Class

### ECO POLICY

*"As an ECO nursery we are aware of the importance of energy management and Climate Change"*

To conserve energy it is the responsibility of all staff to:

- Switch off lights and computers when not in use
- Close doors as appropriate
- Whenever possible not open windows when heating is on, however we do always ensure good ventilation
- Switch off all electrical appliances when not in use, these include CD player, microwave, dishwasher and washing machine
- Report leaky tap to the janitor

The staff team will make the children aware of energy management through:

- linking with the school to recycle paper/reduce litter/reuse material
