

St. Brendan's Nursery Class

Equality for All Policy

"Everyone has the right to be treated fairly and with dignity"

- All nursery users must be treated equally and with respect at all times
- Effective teamwork and planning will ensure ALL children are treated equally and receive the same level of care and education
- Opportunities will be provided for all users to be consulted on nursery issues through planned meetings or consultation
- Everyone's views and opinions will be listened to and given careful consideration
- Policies and procedures will help ensure fairness
- Decisions made must be the same for everyone to ensure fairness
- Time will be given to parents and carers to discuss any concerns/issues. This will take place in a private area
- Any nursery user can meet with the Head Teacher/Principal Teacher to discuss any concerns and everyone will be listened to fairly and actioned accordingly
- The nursery open door policy will be promoted to allow any user to speak/meet with us
