

Saint Brendan's Nursery Class

No Smoking Policy

"This policy will protect all service users from exposure to second hand smoke"

It is the policy of St Brendan's Nursery, in line with Government and Council legislation, that the nursery is a smoke free environment therefore:

- Smoking and vaping is prohibited within the school/nursery grounds
- Smoking and vaping is prohibited throughout the nursery
- All staff have a responsibility in implementing this policy
- The Head Teacher has overall responsibility for implementing this and any concerns should be reported to her
- Advice will be given to anyone who wishes to stop smoking and/or vaping
