

## Saint Brendan's Nursery Class

### Procedures for Changing Children

Please remember to respect each child's rights to privacy during toilet and changing routines.

- Children's own pull ups and bags etc are stored in their own bag
- Disposable gloves and aprons must be worn at all times during changing routines
- Ensure children are safe and comfortable before proceeding
- When wiping children ensure you clean them from front to back to prevent infection
- Dispose soiled nappies, wipes and gloves in a nappy bag and place appropriately in bin
- Adopt the Donning and Doffing approach when removing apron and gloves and put in nappy bag
- Children's hands should be thoroughly washed in hot soapy water using antibacterial soap after changing procedures, following safe hand-washing procedures
- Soiled clothes should be placed in a bag and returned to parents/carers on arrival when collecting their child
- Changing area should be thoroughly disinfected with antibacterial spray and wiped down with disposable towels
- Dispose disposable towel in bin
- Remember to wash your hands thoroughly, following safe hand-washing procedures
