

Saint Brendan's Nursery Class

Safety and Security (2) Policy

Rationale

We take the safety of all our staff and pupils very seriously. Through implementation of this policy it is envisaged that there will be a consistent approach to being safe in St Brendan's.

Aim

The aim of this Policy is to ensure that everyone understands their role in providing a safe environment for all. We also intend to make our school and nursery safe, happy and welcoming to everyone. All staff and pupils are encouraged to think carefully about their own safety.

We provide a safe and secure environment by:

- Locking all pupil doors after the start of the school day
- Locking all pupil gates during the school day. Nursery parents arriving within these times have separate pedestrian entrance from gate near car park.
- We provide adult supervision at all play times. This is covered by our Nursery and Senior Leadership Team.
- Parents are asked to always ensure they close Nursery gate and door behind them.
- All staff always wear identification badges.
- All visitors must report to the office, sign in and out and wear a 'Visitor' badge when in the school or school grounds.
