### Summoning help in an emergency situation

In the event of an emergency in the Nursery a member of staff will alert the office using the telephone.

#### Finally...

We ask all visitors to follow carefully all direction signs both inside and outside the building:

- We ask anyone who sees anything suspicious to let us know immediately
- We ask for everyone to share ideas with us to make our school even safer
- We ask everyone to be patient with us as good security can be frustrating

This Policy, will be reviewed with all staff on an annual basis.
