SAM Group - North Lana... · 18m

As the Coronavirus spreads, the SAM Group are aware that more schools and pupils' learning may be disrupted. Parents, carers and teachers are looking for ways to ensure the continuity of education should pupils have to stay home. See attached image for free resources (PART 1).

My maths school themathsfactor.com is usually about £2 a week. I want to help ❤️ so it's now FREE for children age 4-11 😊 until schools open. We're uploading massive server capabilities, pls bear with us. With all my love ❤️ #HomeSchooling @themathsfactor @PearsonSchools

HOW TO USE THE LESSONS

Just follow these four easy steps...

1. Click on the set of lessons for your child's year group.
2. Watch the video (either on your own or with your child).
3. Find a calm space where your child can work for about 20-30 minutes.
4. Use the video guidance to support your child as they work through a lesson.

JOIN IN THE DAILY MATHS!

A regular daily learning routine will help your child to learn more effectively at home. We therefore recommend that you aim to cover just one 20-30 minute White Rose Maths session each day.

Free Access to Widgit Online

Widgit Online

With more schools closing across the world to help fight the spread of Coronavirus (COVID-19) we wanted to do something to help parents, teachers and carers who use symbols to support their children and young people.

To make sure symbol users have access to the systems and resources they need, we would like to offer free and unrestricted access to Widgit Online and it's ready-made materials for 30 days. **Use Code: WIDGIT30**
