

PUZZLE SOLVERS

Welcome to Holiday Heroes!
 This week is **Puzzle Solvers** week.
 Discover five fun activities below...
 How many can you complete over summer?

ACTIVITY 1

Who am I?

Sit in a circle with your family. Each write a person or animal on a piece of paper. Keep it secret! Turn to the person on your left, and stick your piece of paper to their forehead. Take turns asking 'yes or no' questions to guess what the paper on your own forehead says!

You will need: Post-its, or paper, pens and sellotape

ACTIVITY 2

Treasure hunters

Create a trail to some imaginary treasure through your home using at least five clues. You could leave hints, create symbols and signs or invent word puzzles for a partner to solve. Can they crack your code?

You will need: A special object to be your treasure, paper and pens

Collect your credits!

Claim 1 credit for each activity you do. Log the activity on Aspire to unlock your credit!

www.cus-aspire.com

(You can only log each activity once.)

ACTIVITY 5

Time capsule 2020

Fill a time capsule with objects, notes and pictures of 2020 for people of the future to know what life was like this year. How will you share the highs and lows of living through 2020?

You will need: A range of objects, some paper and pens

ACTIVITY 3

Spy Skills

Spies share secrets using 'dead drops': sneakily leaving items in specific places so that other spies can pick them up - without being noticed! Can you 'dead drop' an item or message in a room at home without your family spotting?

You will need: Small object to hide

ACTIVITY 4

Fingerprint detective

Scribble hard with a grey pencil on paper. Push your fingertip onto the pencil marks until your finger turns grey. Put some sticky tape on top of your fingertip and peel it off. What patterns can you see left behind on the tape? Each finger should be different.

You will need: Paper, pencil, tape
