Dear Parent/Carer

We are delighted that Covid restrictions have now eased and we are in a position to welcome parents into the school. Many parents are happy to help in the school and volunteering is a chance to help the children and assist the teachers. If you have any spare time, even just a few hours a week, we would appreciate any support you can offer in the school.

Support from parent helpers may include helping with reading groups or assisting the teachers in making resources for their classroom (cutting out, laminating etc). You could even come in and run a club at lunchtime or after 3pm with the children.

Regular volunteers would be required to go through the 'Disclosure Scotland' process. We should be able to help with the cost of this, depending on how many people come forward.

If you are interested in helping, please complete the attached sheet and return to Mrs Allan or phone if you have any questions 01236 757692. If you would like a paper copy of this letter, please contact the school office.

Many thanks for your support

Mrs S Allan
Principal Teacher
