Make Your Own Timetable

Choose a job or profession.

Create a timetable or schedule for someone who does this job, which starts at 8:00am and finishes at 6:00pm.

Record the start and finish times for each part of the day. Also, record the length of time spent for each part of the day. An example has been provided for you.

Job: _____

Start time	End time	Activity	Time spent on activity
8:00 am	8:30 am	Catch the bus to work	30
