Dear Parent/Carer,

P6 OUTDOOR EDUCATION WEEK AT PALACERIGG COUNTRY PARK

I hope this letter finds you well! I am writing with good news, which you may have already read briefly about in the September Newsletter, which was shared on Thursday of this week.

I received a call from the Outdoor Education Team from North Lanarkshire Council. They have received some funding to be used at a specific time and they have offered the funding to our school. This means that we are changing our date to the earlier week of **2nd – 6th November 2026**. As a result of this, the children not only get a full week at Palacerigg, rather than 4 days, but the offer includes payment in full for all children attending. That means that you will not have to pay anything at all and the children will go free of charge! This is excellent news and I am sure it will be a welcomed financial win for you.

If you have already made a payment please make contact with our team in the school office, and they will arrange for a refund to be processed.

I wish to put on record our thanks to the Outdoor Education Team for including our school in this wonderful offer! It really is good news for everyone.

I will be in touch with further information and a reminder of what the children need to take with them in the near future. I hope you all have a great holiday weekend.

With renewed good wishes,

Kris Thomas
