Learning Stories

We would like to take this opportunity to remind you that your child's Learning Story is available to look at whenever you wish to. Please feel free to ask your child's key worker for this and take a few moments on your own to look through them once you've dropped your child off, or you might want to have a look together with your child and discuss the learning that they have experienced.

Forest Kindergarten

Our visits to the Forest Kindergarten will resume this week, on Friday 10th January. This block's group has already been identified and Miss McDonald has been in touch with all parents concerned. If your child will be attending the Forest this block please ensure that their change of clothes and water bottle has been handed in before Friday.

Achievement Woods

In order to celebrate your child's success outside of nursery we encourage you to share their achievements by writing your child's name and his/her achievement on a leaf (available in the foyer). Please then give this leaf to your child's ELP who will then display it on the Achievements Woods display for all to see. These achievements could be eating all his/her dinner, sleeping all night in his/her own bed, putting on his/her shoes or jacket with no support etc.
