

22nd April 2020

Dear Parent/Carer,

I hope you are all well and have kept safe while enjoying the Easter holidays.

It seems strange welcoming you back since we can't physically be together. However, as we begin a very different Term 4, it is important to remember we are all in this situation together, albeit from a distance. Please remember the staff of St. Lucy's Primary, LCSC and Nursery are here to help you, and your family, should you need some support or assistance.

With this in mind, if required you may contact me on 07903976100 or by email [ht@st-lucys.n-lanark.sch.uk](mailto:ht@st-lucys.n-lanark.sch.uk). Class teachers are also available via Class Teams.

For technical support, our '**Digital Doctors**' are on call and you can contact them by completing the form on our school twitter page. It is a 'pinned tweet' and, therefore, will always remain at the top of the page. You can access this by typing St. Lucy's twitter into Google or by following **@stlucysabronhil**. **Please note: there is only one 'l' in Abronhill and this is not an error.** Our school website and Parent Council Facebook page also provide updated sources of information.

Please remember to follow NorthLan Council twitter page (@nlcpeople) and North Lanarkshire Council Facebook page for updates. This week, you should have received a letter from Derek Brown, Executive Director, Education and Families.

From Monday 27<sup>th</sup> April, suggested home learning activities will be provided in a grid and displayed in your child's Class Team on GLOW. The format of the grid will be the same throughout our school. The content of the grid will be relevant to your child's stage of learning and will be updated every Monday. This system will create a consistent approach to home learning and will be clear to follow at home. The activities are suggestions and all we ask is that you do what you can throughout the week. Some of the suggested learning activities will be based on a story selected by each class teacher and Early Learning Practitioner. Staff will also provide information on how to access free eBooks online for you to share with your child if you so wish.

As stated in my previous letter, learning is shaped in many formats and the feedback has been wonderful regarding the creative experiences you have been having. Please continue uploading photographs to your child's Class Team in GLOW as they makes us smile!

Many thanks for your continued support as work together during this challenging period.

Please keep safe and take care until we are reunited in St. Lucy's once again!

Yours sincerely,  
*C.Straub*

Colleen Straub  
Head Teacher (Acting)
