### Welcome Back!

Welcome back to what has been a challenging time for all of us. However, that was all swept away last Wednesday when we opened our doors again to welcome our children on their return to school. It truly has been a positive start to a very "unusual" year and children have returned with real enthusiasm and delight at being back!

Over the summer senior staff supported by our janitor Mr Bell and our office staff Mrs Smith and Mrs McGarvey and Mrs Campbell in our nursery, worked behind the scenes to prepare the building and make arrangements for the staff and children's return. This has been done at all times within guidance issued by North Lanarkshire Council and the Scottish Government to keep our staff and children safe. A big thank you to you, our parents and carers who have supported us by following the new measures that have been put in place. As the children have returned we have monitored our procedures and made changes to better support the smooth running of the school. As a result we have decided to alter our start/finish times to better support social distancing and maintain children in identified areas in the yard/school with minimal contact with other groups where possible. Therefore the following times will be in place from Monday 24th August. This will be reviewed at the end of September. ***Children should come to school as close to the start time as possible and parents should "drop and go" to support social distancing and avoid congestions at the gates.***

Times for the children in the LCSC children remain unchanged. However, all those adults accompanying children in the LCSC including escorts must not enter the school yard out with the times set for drop offs/pick ups. Many thanks for your continued co-operation.
