

## A Special Visitor

On Friday we welcomed Santa and Rudolph to St Lucy's. It was great that he made the time in his busy schedule to come and say hello and thank the boys and girls for all their hard work! They have all promised to be extra good between now and Christmas and keep on his good list!

## Trace and Protect

If one of our children is unfortunate enough to test positive for Covid19 over the Christmas break they will be contacted by senior staff from North Lanarkshire Council regarding Trace and Protect. All schools have been asked to submit their seating plans and other relevant information, so that council officers are able to identify close contacts and inform families if children need to self isolate. It will be senior officers and NOT school staff who make contact. Hopefully this is something that will not happen and we can all enjoy a safe and relaxing holiday.

## Enrolment for P1 and Nursery Class

Over the last few days you should have received information both for P1 enrolment (children due to start school in August 2021) and those children who are due to begin nursery. Please share the information with family and friends who may not otherwise receive it. Please do not hesitate to contact school staff if you have any questions/difficulties with the new online service.

## Values Survey

Thank you to everyone who completed our Values survey. There were 92 responses. We will take the results and discuss with our children. Some parents/carers commented that we should have more than 6—we choose this number because we felt it was manageable for the children to both remember and aim for. Further feedback will be given in the new year.

## Charity Donations

Thank you to parents/carers who donated to our recent charity collections. We raised £50 for Poppy Scotland and £150 for the St Nicholas Care Fund—may thanks for your support in this.
