

Transition Activity

21st May 2020

Activity

On your first day at St Maurice's High School, you will be issued with a timetable to show you where you are going and tell you what subjects you have each day.

It is VERY HELPFUL to make copies of your timetable or take a photograph of it if you have a phone so you always have a copy.

On a separate document you will find a 'Practice Primary 7 Timetable'. This is not an exact timetable of what you will be given however it will give you an idea. There may be some differences for example the time, the room number or teachers name.

Your task is to take a look at the timetable and familiarise yourself with each day.

- Select subjects you think you would like and discuss this with someone in your home.
- Are there subjects you are unsure about?
- Answer the questions that are at the bottom of the timetable. Good Luck!
