

Primary 3 Newsletter

Term 3 - March 2024

Dear Parents/Carers

It is hard to believe that we are now heading towards Easter but P3 have been consistently working hard and working well together as a class. Thank you for all your support throughout the last two terms. We will be able to speak again soon when I can update you on your child's progress at Parents' Evening at the end of this month.

Reconciliation

I would like to say, congratulations to all the children who made their Reconciliation recently! You must be so proud of them!

Homework

Thank you for encouraging your children to complete their homework as it helps to consolidate the learning taking place in class.

The children should continue to carry out tasks in their homework jotter. Should your child need a new jotter, please let me know and I'll arrange to send one home. The children are encouraged to have the same standards of presentation in their homework jotter as in class: a date, heading, underline with a ruler etc.

P.E.

Our P.E. sessions should continue to take place on a Tuesday and Thursday. These sessions may take place indoors or outdoors. I would be grateful if you can continue to ensure that a suitable kit is always in your child's bag.

Please also encourage your child to wear the school P.E. kit and to remove all jewellery for these lessons.

Water Bottles

P3 are all bringing their water bottles into school, and I am grateful for this. Please continue to encourage them to do this so that they are hydrated throughout the day. Please note that only water is allowed in class. Any juice must be kept for lunchtime.

School Lunches

It is great to see so many of the Primary 3 children enjoying our free school meals. All lunches are made in our school kitchen and the kitchen staff provide a great variety of meals to suit the needs of all children. If you are not familiar with what is on offer, further information can be found on <https://www.northlanarkshire.gov.uk/schools-and-learning/school-meals/meal-menus/primary-school-menu>

Allergies

Please remember that we are a nut free school and as such snacks or lunches containing nuts are not permitted within the school. Many thanks for your co-operation with this.

The Curriculum for this Term

We will be covering the following topics in these curricular areas:

Literacy - Fiction/Non-Fiction Books, Instructions, Persuasive Writing, Accuracy in Punctuation and focus on presentation.

Numeracy - Fractions, Data Handling, Measurement

Health & Wellbeing - Investigating Healthy Foods

Finally, if you have any worries or concerns about your child, please do not hesitate to get in touch. Thanks again for your continued support and I look forward to continuing to work with your child.

Mrs Lang
