## Term 3 – March 2024

Dear Parents/Carers,

The children are all continuing to work very hard this term. They are enjoying time outdoors and working on our new topic People and Society. We have renamed this topic When I Grow Up, this means we are looking for anyone who has time to chat about their job with the children, to please let us know. We are looking forward to continuing to work hard on all our new learning targets this term.

I know we are not quite there yet, but in the coming months please remember to supply suncream for those warmer days.

### **Homework**

Homework continues to be posted on the class Team and the children's work should continue to be completed in their jotter and handed in on a Friday.

Please feel free to add your child's successes to our Team so we can celebrate their wider achievements in class with their friends and on Twitter.

### **P.E. and Outdoor Learning**

PE will continue to take place in the hall and outdoors. Please bring PE kits on a Monday and we will start to send the kits home more regularly on a Friday to be washed. For outdoor learning children should wear their PE top, joggers and a fleece, if you can supply wellies if your child has changed shoe size from previously, that would be very helpful. Our official PE days are Wednesday and Friday.

### **Lunch and Snacks**

Please remember that St Michael's is a nut free school.

### **Names and Lost Property**

Please make sure all items of clothing are labelled as the weather continues to get warmer children will take their jumpers off and these will get lost. I have quite a selection of boy's jumpers in class. I will leave these out at Parent's Night to try and reunite them with their owners.

### **Library**

The children enjoyed their recent visit to the library and have all been encouraged to get library cards and visit again soon!

### **Dates for you Diary**
