

Primary 1 Newsletter

Term 3 – March 2025

Dear Parents/Carers

The children are all continuing to work very hard this term. We are looking forward to starting our People in Society topic. We have renamed this topic When I Grow Up, this means we are looking for **anyone** who has time to chat about their job with the children to let us know. Every role that we each play in society is special and worthwhile and we would love to share that with the children. We are looking forward to continuing to work hard on all our new learning targets this term. I know we are not quite there yet but in the coming months please remember to supply sunscreen for those warmer days. The children are all looking forward to getting to do some outdoor learning this term too, we will let you know about wellies and clothes via the TEAM closer to the time.

Homework

Homework continues to be posted on the class team and the children's work should continue to be completed in their jotter and handed in on a Thursday.

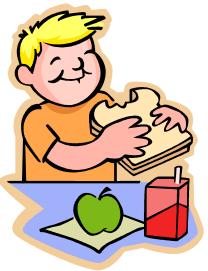

Please feel free to add your child's successes to our Team so we can celebrate their wider achievements in class with their friends.

P.E. and Outdoor Learning

PE will continue to take place in the hall and outdoors. Please bring PE kits on a Monday and we will start to send the kits home more regularly on a Friday to be washed. For outdoor learning children should wear their PE top, joggers and a fleece, if you can supply wellies if your child has changed shoe size from previously that would be very helpful.

Lunch and Snacks

Please remember that St Michael's is a nut free school.

Names and Lost Property

Please make sure all items of clothing are labelled as the weather continues to get warmer children will take their jumpers off and these will get lost. Any left items will be left out at Parents' Night for you to claim.

Library

The children will hopefully be visiting the library this term. Parent helper notifications will be added to the TEAM closer to an agreed date.

Lent

Our Lenten charity this year for alm's giving is Mary's Meals. Any spare change can be added to our little blue cup on the Altar and class totals are counted each week. Your support will be greatly appreciated.

Many thanks for your ongoing support and as always if I can be any help please let me know.

Mrs Stevenson
