

Primary 7 Newsletter

January 2026- Term 2

Dear Parents and Carers,

Happy New Year to you all. I'd like to thank you for all the kind words, cards and gifts which I received before the holiday period. It was very kind of you. Our Primary 7 children worked extremely hard during the first term and have made great progress in all areas of the curriculum. Term 2 is a very busy time for our class as we prepare for the transition to secondary school.

Curriculum

The topics which we will be covering across the curriculum this term are:

Literacy - Non-Fiction Reading, Persuasive Writing and Narrative Writing.

Numeracy - Multiplication, Division, Properties of 2D and 3D shapes, Fractions, Decimals, and Percentages and Data Handling.

People in the Past - Scottish Wars of Independence

Health and Wellbeing -Raquet Sports, Gymnastics, Food and Health (Coffee House)

The children will have weekly ICT lessons from Mrs Devlin.

Homework

Thank you to those who consistently submitted their homework last term. As well as it being beneficial for the children's learning and retention, it also is great preparation for high school. Homework will be issued on a Thursday on Teams. Please ensure your child's reading book is in their bag every day as we do use these daily for written tasks. Homework jotters should be returned to school by the following Thursday/Friday for marking.

Coffee House

We are preparing to undertake work experience at the Coffee House. The children will be learning about Food Standards and Safety in the workplace and will then be given the opportunity to experience working as part of a team in a real-life environment.

This is an excellent opportunity for your child to showcase their knowledge, work ethic and manners.

P.E.

Our gym days in the hall will continue to be on a Tuesday and Thursday. After P.E, some children become thirsty so please ensure that your child brings a water bottle to school.

Please encourage your child to pack their own kit. This kit should be brought to school on a Monday and taken home on Fridays for laundering.

This is to allow more flexibility within the class timetable and ensures children are always equipped for their learning.

Please get in touch if you have any worries, concerns or questions at any point.
Thank you for your continued support.

Kind regards,

Domenica Piraino
