## January 2026

Dear Parents/Carers,

Happy new year! We are already back to school and working hard in class. We have lots of exciting learning opportunities ahead.

### Homework

Details of homework will continue to be given digitally using the children's Class Glow Team. At times, children may come home with a short maths activity sheet related to our work in class.

Homework will usually consist of Reading, Spelling and Numeracy. The children should continue to carry out tasks in their jotter. Should your child need a new jotter, please let me know and I'll arrange to send one home. The children are encouraged to have the same standards of presentation in their homework jotter as in class: a date,

heading, underline with a ruler etc.

### P.E.

Our P.E. sessions will continue to take place on a Wednesday and Friday. This may change due to timetabling changes and these sessions will be a mixture of indoor or outdoor PE. In order for flexibility if plans change then children can bring their kit in at the beginning of the week and then I will send this home on Friday.

Please could you ensure that all items of clothing have the children's names on them.

### Allergies

Please remember that we are a nut free school and as such snacks or lunches containing nuts are not permitted within the school. Many thanks for your co-operation with this.

### Work Across the Curriculum

This term we will be covering the following topics in these curricular areas:

Literacy – Non-Fiction Reading and Writing.

Numeracy – Number Processes – Multiplication and Division

Social Studies – The Romans

Science – Body Systems and Cells

ICT – Programming and Coding

Health and Wellbeing – Keeping Safe - Medicines

PE – Dance, Gymnastics

RE – Sunday, the Lord's Day, Lent, Other World Religions

Finally, if you ever have any worries, concerns or questions about your child and school, please do not hesitate to get in touch. This can be done through a phone call or email to the school.

Thank you,  
Mrs McNaughton
