

Primary 4/3 Newsletter

January 2026

Dear Parents/Carers,

I hope you all had a lovely Christmas and a Happy New Year. As we begin this new term, we are already hard at work and are excited for the learning opportunities ahead.

Homework

Details of homework will continue to be given digitally using the children's Class Glow Team.

Homework will usually consist of Reading, Spelling and Numeracy. The children should continue to carry out tasks in their jotter. Should your child need a new jotter, please let me know and I'll arrange to send one home. The children are encouraged to have the same standards of presentation in their homework jotter as in class: a date, heading, underline with a ruler etc.

P.E.

Our P.E. sessions should take place on a Monday and Thursday. This may change due to timetabling changes, and these sessions will be a mixture of indoor or outdoor PE. In order for flexibility if plans change then children can bring their kit in at the beginning of the week and then I will send this home on Friday.

Please could you ensure that all items of clothing have the children's names on them.

Allergies

Please remember that we are a nut free school and as such snacks or lunches containing nuts are not permitted within the school. Many thanks for your co-operation with this.

Work Across the Curriculum

This term we will be covering the following topics in these curricular areas:

Literacy – Non-Fiction reading and writing

Numeracy – Number Processes – Multiplication and Division

Social Studies – The Romans

Science – Body Systems and Cells

ICT – Programming

Health and Wellbeing – Keeping safe and Medicines

PE – Gymnastics and Dance

RE – Lent, Mass, Other world religions and First Reconciliation

Preparation for primary 3.

Finally, if you ever have any worries, concerns or questions about your child and school, please do not hesitate to get in touch. This can be done through a phone call or email to the school.

Thank you,
Miss Hamill
