

Primary 2 Newsletter – Term One

September 2026

Dear Parents and Carers

You will be pleased to hear that the children have settled well into their new classroom, are already working hard, and are showing great enthusiasm for Primary 2. We are both looking forward to teaching the children throughout this year and making sure it is both enjoyable and successful for them all.

Homework

Details of homework will continue to be carried out digitally using the children's class Glow Team. You will now be more familiar with logging into Teams. An email will have been sent to you by the school, reminding you of how to log in to Teams, including the class Team code and details of your child's new password. **You will be prompted to change your password. It is important that you record your child's new password on the label inside their homework jotter.**

The code to join our Team is: 82ua3i9

Should you require a reminder of your child's Glow login details, please email Mrs McNab – nlmcnabk@northlan.org.uk

You will be able to continue to find details of the children's homework each week under 'Files' in the class Team. Homework will be posted on the Class Team on Friday and can be completed at any point over the week. Your child's homework jotter and reading book should be returned to class on the Thursday the following week to be corrected.

P.E.

Our P.E. sessions will take place on a **Monday and Wednesday.** Children should bring their P.E kit in on Monday, keeping it on their peg for the week, and this will be sent home at the end of the week to be washed. Our school P.E. kit consists of a green t-shirt, green shorts and a change of appropriate shoes.

Outdoor Learning

As you know we are very lucky in St Michael's to have access to wonderful grounds and a school forest. Our Outdoor Learning time will be on a Thursday afternoon. Please ensure that your child has suitable clothes to be outdoor e.g. plain leggings or joggers, P.E. t-shirt or a plain t-shirt, plain hoodie or school fleece and suitable shoes e.g. wellies, old trainers. We do have a small supply of wellies should your child need them. We would prefer non branded clothes to be worn on this day.

Names and Lost Property

Please ensure that your child's name is on all items of their school uniform, P.E. kit and outdoor learning clothes as it helps us to return any lost items. A lost property box will be kept in the classroom and any items left in class or in the cloakroom will be put there if it doesn't have a name on it. If your child has lost an item of their clothing, please let us know and we will do our best to look for this and we will post a message on Teams to encourage parents/carers to keep an eye out for the missing item should it be brought home by mistake.

Allergies

Please remember that we are an **nut free school**. We have children within the school with severe nut allergies, so snacks or lunches containing nuts are not permitted with the school this includes snacks such as Kinder Bueno, Nutella etc. Many thanks for your co-operation with this.

Finally, if you ever have any worries, concerns or questions about your child and school, please do not hesitate to get in touch. This can be done through a phone call or email to the school. We look forward to work in partnership with you and your child, and we are sure we will have a successful year working together.

Colette Cheape and Karen McNab
