

Primary 4 Newsletter – Term One

September 2026

Dear Parents/Guardians,

The children have settled well into their new classroom, are already working hard, and are showing great enthusiasm for Primary 4. We are both looking forward to teaching the children throughout this year and making sure it is both enjoyable and successful for them all.

Homework

Details of homework will continue to be carried out digitally using the children's class Glow Team. You will now be more familiar with logging into Teams. An email will have been sent to you by the school, reminding you of how to log in to Teams, including the class Team code and details of your child's new password. **You will be prompted to change your password. It is important that you record your child's new password on the label inside their homework jotter.**

The code to join our Team is: tbhsohd

You will be able to continue to find details of the children's homework each week under 'Files' in the class Team. Homework will be posted on the Class Team on Friday and can be completed at any point over the week. Your child's homework jotter and reading book should be returned to class on the Thursday the following week to be corrected.

P.E. and Outdoor Learning

Our P.E. sessions will take place on a **Wednesday and Thursday.**

Our school P.E. kit consists of a green t-shirt, green shorts and a change of appropriate shoes.

Our Outdoor Learning day will be a Thursday. Children may come to school wearing Outdoor Learning clothes on this day. For outdoor learning we are looking for the children to wear plain dark/black leggings or joggers, gym t-shirt or a plain t-shirt and a plain dark zipper or hoodie. Children could also wear their school fleece. We won't be visiting the forest every week, we have incredible school grounds and we will be trying to make the most of them by taking our learning outdoors where possible on a Thursday. Old trainers or wellies should be sent in for a Thursday too.

Names and Lost Property

We would be very grateful if you ensured that your child's name is on all items of their school uniform and P.E. kit as it would help us to return any items that may be left in the

classroom. A lost property box will be kept in the classroom and any items left in class or in the cloakroom will be put in it if it doesn't have a name on it. If their name is on the item, we will return it to them as soon as possible. If your child has lost an item of their clothing, please let us know and we will do our best to look for this and we will post a message on Teams to encourage parents/carers to keep an eye out for the missing item should it be brought home by mistake.

Allergies

Please remember that we are an **allergy free school**. We have children within our class with severe nut allergies, so snacks or lunches containing nuts are not permitted within the school. Many thanks for your co-operation with this.

First Friday Mass

We will now be attending Mass at St. Michael's Church on the first Friday of each month. Anyone who is free and able to walk us down to the church should meet at the school office around 9.10.

Finally, if you ever have any worries, concerns or questions about your child and school, please do not hesitate to get in touch. This can be done through a phone call or email to the school. We look forward to work in partnership with you and your child, and we are sure we will have a successful year working together.

Mrs McMullen and Mrs Devlin
