

L.I. To show my understanding of the text

- I can skim and scan the text for key words
- I can find the relevant information from the text
- I can answer questions in a sentence

- 1 What is the difference between a sea and an ocean?
(Remembering)
- 2 Why does most Ocean life live in the sunlight zone?
(Understanding)
- 3 Have you ever seen a shark in an aquarium or sea life centre?
What did you feel/think? How would you feel if you were in
that water with them? (Applying)
- 4 Why do many people find it surprising that animals like the
whale shark and the blue whale only eat creatures like krill and
plankton? (Analysing)
- 5 What special skills do fish in the deep dark water have in order
to catch prey? How does this differ to ways of catching prey in
the sunlight zone? (Evaluating)
- 6 Design a new unobserved fish that lives in the deep. Label your
drawing with the features it has to make it effective. (Creating)
