

## Comprehension from Songs

Scan the QR code to listen to and watch the song.

### QUESTIONS

1. Explain what the first verse is about.
2. The author points out that everyone has troubles in their life at times but what is the message they are trying to get across?
3. The singer is suggesting they might not be very smart, big or strong but what is their feature that no one else has?
4. What does destiny mean? Explain its context in this song.
5. The singer says “our friendship will never die.” Can something die if it is not alive? What does this mean?
6. Can you think of an alternative title for this song? Justify your choice.

NLC Pedagogy Team

You got a Friend in Me

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles  
From your nice warm bed  
Just remember what your old pal said  
Boy, you've got a friend in me

You've got a friend in me  
You've got a friend in me  
You've got a friend in me  
You've got troubles, well I've got 'em too  
There isn't anything I wouldn't do for you  
We stick together and we see it through  
You've got a friend in me  
You've got a friend in me

Some other folks might be  
A little bit smarter than I am  
Bigger and stronger too  
Maybe  
But none of them will ever love you the way I do  
It's me and you boy

And as the years go by  
Our friendship will never die  
You're gonna see  
It's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me
