

## Dragon's Tale- Inference Task

Level 15

**Answer** the **inference questions** below about the text you have read.

L.I: To explain inferences from the text.

Success Criteria:

- Find and use clues from the text.
- Explain what the author is implying.
- Answer the questions using supporting information and evidence.

**\*\*Remember Inference** is when the author **says something without actually saying it**. It is something that is **implied** and you must **look for clues** in the text to answer it.\*\*

1. The author states 'He couldn't meet her eye' what does this imply about how he was feeling upon seeing his mum after the fishing trip?

P27

2. 'Its heart went out to them' what does this infer about the dragon's feelings for the boy and his mother? P28

3. As Tchang reached the river the author states that 'His heart sank' what does the author mean by this? Why does he feel this way? P32

4. The wizard does not appear to be a very nice person. Select the words and phrases that the author has used to infer this. P37 and 38

5. The author infers that Tchang is nervous upon reaching the palace, meeting the wizard and leaving. Find words and phrases that infer he is nervous. P36-39
