

Dragon's Tale- Summary Tchang's Journey

Level 15

From **Chapter 2 onwards** Tchang set's out on his **journey** to see the Great Wizard of the West.

Create notes about the **key information** and **events** of his journey- What are the main events? Where does he go? Why does he go? How long does it take? Who does he meet?

Using your notes and the text summarise in your **own words** the **events** in his journey.

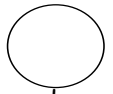

Choose how you want to use these notes to **summarise** the section. You could choose one of the following:

- Summarise in paragraphs
- Create a comic strip or storyboard
- Use words and emojis to create a visual summary
- Create a summary picture poster
- Any other ideas you have to present the summary

L.I: To summarise a text.

Success Criteria:

- Skim and scan to find key words and information.
- Make notes including key information and events.
- Use notes and text to summarise.
- Write in your own words.
