29 th June	1.00pm	LAST DAY	School Closes
17 th August	9am	Pupils Return to School	All Pupils

Parents' Evening

Put down those laptops and tablets, cast aside any anxieties around Wifi signal and prepare for a return to face-to-face. We are all very excited to welcome parents back into our school on the 9th of June for our first in-person Parent's Evening. The information and link to book appointments for your child/children will be issued in the coming days. There will also be an opportunity to be shown around some of the main areas of our joint campus before or after your appointment. There's a real sense of community and normality in being able to welcome our school families into the building again and we are sure it will be a positive experience for all.

School Disco

Our Parent Council have been desperate to have one of St. Patrick's famous school discos and have secured the DJ, looked out their dancing shoes (and Tuck Shop aprons) and are pleased to announce our first school disco in years will take place on the 14th June between 6pm - 8pm in the school Gym Hall (AKA The Disco Dome). Keep an eye out for more details from the PC.

Health Week

From Monday 6th June to Friday 10th June we will enjoy Health Week. We have lots of activities planned to celebrate the outdoors and general wellbeing. Our Active Schools Staff will be visiting with some activities to coach our pupils through and give a taster of some sports which may be new to some.

On Friday 10th June we will have our **Sports' Day**. For the first time in years we will be inviting parents along to see their children having fun in the sun in their Houses (we are confident about the fun but can't guarantee the sun).

Pupils are invited to wear their house colours (teachers will make sure pupils know these and are reminded in advance of the week). However, if pupils do not have access to any house coloured clothing it is not a problem.

Barra(RED) - Cumbrae(BLUE) - Harris(GREEN) - Mull(YELLOW)

Parents are welcome to attend from 1.30pm - 2.45pm

Dance Day for St. Andrew's Hospice

Our friend, Loretta from St. Andrew's Hospice will be coming in for that day to lead us in a fun day of dance and colour. Pupils are invited to bring £1 for the Hospice and wear the brightest and most colourful clothing they can find in a DRESS DOWN DAY.

Wheelie Good Wednesdays

As part of our Outdoor Learning and Wellbeing focus, pupils are invited to bring their bikes or scooters into school on the specific dates above.

****Please ensure pupils bring a helmet with them whenever cycling to school.**

****No roller skates, skateboards or electric scooters please.**

Dogs in The School Carpark

Whilst parents collecting pupils from the school car park do not need to enter the playground area, it is still not permitted to bring dogs of any kind past the main gates into the carpark.

Inflatable Whole School Fun

We have booked for some inflatables to be brought into the school on the 22nd of June as we aim to make our summer term as fun and memorable as possible. Our pupils have worked extremely hard during and after lockdowns and a little bit of summer fun goes a long way. Pupils are welcome to wear more comfortable clothing on this day.

Leaver's Mass

Our Leavers' Mass will be celebrated with Father Gerry on the **28th June at 9.30am** in St. John Bosco Church followed by some tea and coffee for parents and pupils in the church hall afterwards.

Leaver's Celebrations

We will be celebrating during the school day on the afternoon of **21st June** with a Leaver's Disco followed by pizzas. P7 pupils are invited to dress down for their disco.

Last Day of Term

We finish at the slightly later date of **June 29th** this year and the school closes at **1pm**. Please ensure anyone who is collecting your child knows that we have an earlier finish.

Solihull Parenting Approach

Our staff recently completed the first part of their Practitioner Training for Solihull and we were all very engaged by the content. We had lots of 'aha!' moments when thinking of our own interactions with all pupils and our own children. Please see the flyer below for info on online support you can access as parents. There really is something for everyone contained within.

The code for access: Please note that the code to access this is now the national code for all of Scotland - TARTAN (not LANERCH3).
