2 PTA Funds

We currently have £5040.50 in PTA funds which is a fantastic amount.

We have had lots of discussions on what to spend this on and have agreed on a couple of things so far.

We have agreed to donate £50 to every class in the school for each teacher to spend on items they feel they need most for the benefit of their class.

We also agreed that we would donate money to the clubs within the school.

The school has football, cross country, netball, athletics, gymnastics, cheerleading, dance, pop club, speech & drama, art club, choir and a cooking club.

More details on this to follow, but to date we have ordered a new football kit for the school team, who compete in a league every 2 weeks.
