4. Allocation of money

£50 to be given to each class and teachers can decide what it is spent on. Angela will go in to discuss this with pupil council. Nursery will also receive money for am and pm sessions.

As previously discussed getting athletic strips, it looks as though tracksuits are expensive, so it was discussed to price football material tops and shorts for both football and athletics. These will not be taken home by children and we will look for parent volunteers to wash and return to school.
