1 - Summer Fun Day

Fun Day was a great success, with a fabulous amount of money raised, only point was we were probably short on helpers, will definitely need more for next year.

Agree to have more games for next year too

Alan suggested buying a few large gazebos for future use - the large ones are currently £50, agreed to buy 3

2 - Accounts for this year

Karen Hannah will prepare a update on figures for the next meeting due to the short time between the fun day and the AGM

However, can confirm that we have raised an amazing £4792 profit this year.
