

PTA Minutes – 28th August 2018

Present – Mrs Smith, Clare Mullen, Sharon Doyle, Angela Murray, Siobhan Mann, Kirsty Kelly, Nicola Traynor, Karen Sneddon

New members

We agreed at the last meeting we would really try and push for new member as we have been struggling at events.

I now have access to the PTA twitter account and have set up a new email address for parents to get in touch. (sttimothyspta@hotmail.com)

Welcome to Sharon Doyle who had joined us and also to Pamela Thompson who will help out at events but just can't make meetings

Mrs Smith also has 3 contacts who will hopefully be able to help out. Darren Munogee & Lisa Marie Docherty have both said they will come along to the next meeting.

Mrs Smith advised that the school would be having a Macmillan Coffee Morning on 28th September for the P1 parents Kirsty kindly agreed to attend and try and encourage more members to help out.

Newsletter

A newsletter will be completed shortly and sent out to parents.

This will include details of what we have raised and what we have helped fund. Also, will have a calendar of events for this year.

Biggest issue we have had in the past is lack of advertising. This year we will use Twitter and the app to promote our events. Will also discuss with Mr Forbes the position regarding the Facebook page.

Halloween Disco

Disco booked for 26th October

We have plenty stock left from the summer fair. Only things we need to get are the glow items & DJ

Karen S has ordered the finger lights. Clare will get the glow wands.

DJ has been confirmed.

We had lengthy discussions regarding emergency contact details during the disco. It was agreed that we would now have a class register and tick off each child as they enter the disco. I will discuss this further with Mr Forbes regarding emergency contact information.

Christmas Fair

Christmas Fair will be on 1st of Dec, with set up on the Friday night. Agreed times were 11:30-1:30.

The fair will be discussed in depth at the next meeting.

However, we agreed we would try and sell more items made by us. Last year we had our sweetie stall, hampers Santa sweetie cones & hot chocolate mugs. Looking for lots more ideas on what else we can make & sell.

We will hopefully have a lot more helpers this year, which will really help with the organisation of the fair.

Date of Next Meeting – 02.10.2018 7pm
