

Primary 1

Common Words

About this presentation

- This shows all the common words taught in primary 1 – words are not taught every week. Some weeks are used to consolidate previous learning.
- Letters in red indicate the vowels that can be sounded out.
- Letters in blue indicate the consonants that can be sounded out.
- Letters in green show digraph phonemes (one sound made by two letters).
- Letters in black do not say their expected sound i.e the 'a' in was does not say 'a' or 'A' but says 'o'.
- First column has words in lowercase – children should discuss that these would be found in the middle or at the end of sentences.
- Second column has words starting with an uppercase letter or capital letter - children should discuss that these would be found at the start of a sentence.
- Third column has words in uppercase letters – children should discuss that these would rarely be found in a sentence in a book but maybe on a poster or leaflet.
