

# St Timothy's

*Primary School, Nursery Class and LCSC*

***At St Timothy's we belong together in a loving, respectful and happy family.***

6<sup>th</sup> October 2020

Dear Parent/Carer,

## Digital Homework

Due to the current ongoing restrictions our Homework this year will be in digital format. This will help us minimise the number of items coming in and out of school. Home Learning will be posted on Glow through Microsoft Teams. Each child should know their Glow username and password.

The Glow launch pad has links to a variety of learning sites which your child may want to use including Sumdog, Top Marks, Education City and many more.

Each class has their own Team which has been set up and class teachers will shortly begin to issue Homework through this. Pupils can use Teams to communicate with their class teacher and can both access and submit their homework through the Team. There are various guides on our school web page to help with the use of Teams.

Your child's Glow account is to allow pupils to communicate with their classmates and teacher. It is the pupil's account and while it is good to support children with their homework, parents or carers should not use the account on their behalf. Should you need to contact your child's class teacher or if you have a concern then please contact us by calling the school office or speaking with a member of the Management Team.

Kind Regards

Mrs M Rigg

Principal Teacher PEF (Acting)
