## **Parental Survey – May 2021**

Thanks to everyone who participated in our parental survey. All of your comments were much appreciated and the suggestion for next steps were very fair and helpful, I think.

Here is a summary of the results below. For these first five questions the scores were a minimum of one and a maximum of 6.

**There is a clear vision, values and aims relevant for the school and community.**

Average Score: 4.93

**The teaching, learning and assessment in place meets my child's needs**

Average Score: 4.8

**I am happy with my child's attainment and achievement**

Average Score: 4.83

**The school looks after my child's wellbeing**

Average Score: 5.08

**The school promotes inclusion, equity and equality**

Average Score: 5.26

The next five questions were where we asked you for comments. I have given a summary of the main themes from the responses below, which means I've paraphrased some and/or put others together, so don't worry if you don't see the exact wording you gave.

**What changes would you like to see us make to our curriculum as we move through the recovery phase?**
