Dear Parent/Carer,

P7 did a great job at the fun day and raised just over £300 towards their party. This was fantastic, but it's not quite covering the costs of the send off we feel they deserve after a very tricky year – some of these things don't come cheap!

To that end, we are asking for a donation from you on Monday for the Euros Day, if you can afford it. Children can come dressed in a Scottish theme, wearing a Scotland football top (no other football colours please) or something blue. Any money we raise will go towards our leavers' celebration and party.

I promise this will be the last request for a donation this session!

Kind regards,

Colin Forbes

Head teacher
