### **Coming Events**

Parents' evening Thursday 7<sup>th</sup> October – please click on the link below to and ensure your information on parents' portal is up to date prior to this – this will be the forum through which the meetings will take place. There is also advice and guidance available. The information you give about your child has to exactly match what is on their school records otherwise the portal will not be able to match them to the school – if you are having any problems that is generally the first thing to check. The clerical staff can advise on what we have on our records if you aren't getting anywhere.
