31.3.23

Dear Parent/Carer,

We have been notified recently of some behaviour online by some of our pupils online which is unacceptable. In some cases, this is being dealt with in partnership with PC Yule, our Campus Police Officer.

Can I please ask that you take some time over the holiday to monitor your child's online activity and ensure that it is appropriate and is not putting them, or anyone else at risk. Almost all apps and forms of social media have an age limit which is above the age of our pupils. I have attached some materials which may be of use to you in supporting your child's use of the internet. These can be found [here](#)

Pc Yule will be visiting the school after the Easter holiday to visit some of the older classes and discuss internet safety with them. Can I ask that you please get ahead of this and have this conversation at home in the first instance.

Kind regards,

Colin Forbes

Head Teacher
