14 May 2021

Dear Parent/Carer,

Many thanks again for your ongoing support in helping our young people get back into the swing of a good routine for learning. I have reminded a number of our young people this week about the importance of staying in class in line with our COVID-19 safety measures, and about not leaving the school grounds during interval. I would appreciate your continued support to maximise the safety and learning of all our young people.

SQA Update

Many thanks to the parents/carers who highlighted questions for our online information session. Please find below the key dates from our SQA Assessment activities which directly involve communication and involvement of parents and young people:

- | | |
|-----------------|---|
| 21st May | Update report to parents with Working Level and Working Grade.
<i>Please note that the Working Grades provided are not necessarily final grades since there are still assessment activities planned to allow holistic judgement of all the available evidence.</i> |
| 21st - 28th May | Enquiry Window for parents/carers to ask questions or seek clarification from the school about the reported Working Grades. |
| 21st June | Provisional Grades will be shared with pupils and parents/carers. |
| 21st – 24 June | Enquiry Window for parents/carers to ask questions or seek clarification from the school about the reported Provisional Grades |

Show Racism the Red Card Competition @ Taylor

At Taylor High we take immense pride in our school and wider community. We strive to provide a wealth of experiences and opportunities for our young people to develop, through positive interactions, respectful dialogue and a robust support network that works for everyone. Our mission is for the next generation to develop into well-rounded citizens who will shape our local and wider community while always striving for improvement.

Show Racism the Red Card is a charity which strongly resonates with our school ethos on dignity and equality for all. We firmly believe this bold and brave new generation are #GenerationEquality.

Within our Art & Design Department we created a Design unit around the theme of this year's competition. Within this unit we learned about and discussed Racism, in all its hideous forms, and it's devastating and lasting effects on the Health and Wellbeing of individuals and groups. We also discussed the meaning of equality as the antithesis of discrimination and encouraged a lively dialogue about how equality is a significant journey to embark on and an incredible destination to fight for.

HPV and Catchup Vaccinations

The Vaccination Programme will take place on Monday of this week for all S1 pupils who have returned their consent form, and S2 pupils who are part of the catchup programme.

Pupils are advised to wear a short-sleeved shirt and have eaten a good breakfast.

Any parent who wishes their child to receive the vaccination but has not yet returned the consent form should contact the school office on Monday morning for us to request a call-back from NHS staff.

UNIFORMS FOR AUGUST

Uniform orders can be placed with Logoxpress before Monday July 12th. Orders should be made before this date to ensure arrival by the new term in August. Further details are available on their website about how to order: <https://www.logoxpres-schoolwear.co.uk/>

Yours faithfully,
Paul McWatt
