

STARTING AT
TOLLBRAE
PRIMARY
SCHOOL

Hello there. My name is Mrs Lander and I am the teacher for primary one children who be be joining Base 2. I am hope you have had a great summer and looking forward to joining us in August.

Good Morning!

From 8.45am

When we come to school in the morning we will come in through these gates and make our way down into the playground.

At 9.00am the bell rings and we line up with our class.

From 8.15am

Some of you might want to come to the breakfast club instead.

Here, we can be served breakfast from the friendly catering staff and sit next to our friends in the school cafeteria. At 8.45am we can also join our friends in the playground.

Our Cloakrooms

When we come into the school, we will need to take off our coat and hang it on our peg.

Each child in the class has their own peg. We can put a PE bag on our peg too if we like.

Our Bases and Discovery Zone

Our primary one children have a super exciting Discovery Zone area outside of their classroom with lots of exciting things to do and learn.

Loose Parts Play

Our learning doesn't just take place indoors. Here is some photographs of our fabulous Loose Parts Play area. We get to visit this with our class each week too.

Gym Hall and Pitches

Every week we will get ready to go to PE. Sometimes this is in the Gym Hall, sometimes this is on our outdoor pitches and sometimes we go to the playground.

Toilets

When we need to go to the toilets during the day, we can find these next to the cloakroom; the same place that we hang our jackets up.

Assembly

Sometimes, we go to the gym hall for assembly too. In assembly we listen to stories, sing songs and share our learning and achievements with one another. It is good for lots of classes getting together. We might see some other teachers at assembly time too like:

Mrs Welsh
Our Headteacher

Mrs Mosher
Our Depute Headteacher

Mr Lamb
Our Principal Teacher

Morning break

Unless it is raining or snowing heavily, we spend our morning breaks in the playground. We can bring a healthy snack for morning break. We can also take our water bottles out too.

There are adults here to talk to and help us when we need it.

Lunch break

Here is a photo of our cafeteria. We can order a free school lunch or bring our own packed lunch.

Here is a link to the school menu so you can see the sorts of foods that are available each day.

Home time

Just before it is home time, we put on our jackets and get our school bags and other belongings ready.

Quite often we sit on the carpet together and end the day talking about all the fun things we have learned, share a story or sing a song.

We then walk in a line to the door and make sure that we get matched up with a parent/family member before leaving our teacher's side.

WE LOOK
FORWARD TO
SEEING YOU IN
AUGUST!
