### Benefits of buying from Logoxpres

We only supply quality branded school wear items that represent excellent value for money.

All our uniforms are durable and “made to last” allowing parents to hand down to siblings, recycle to other children and reduce waste.

We supply uniform all year round, allowing parents / carers' to purchase uniform as their child outgrows uniform rather than at the start of the term.

We offer free delivery to school all year round (except for school holidays).

We offer a no quibble returns policy and are happy to exchange any badged items that do not fit.

All of our uniforms are manufactured in factories that comply with the Ethical Code initiative ensuring safe working conditions, no use of child labour and fair wages.

Many of our uniform items are now manufactured utilising yarns that are produced from the recycling of plastic bottles, ensuring a greener and safer environment for our young people. Play your part in us achieving our Cop26 pledge of recycling 1 million bottles by 2025.
