

## What do we want to achieve?

### Walking Bus

We hope to organise the Walking Bus during Health Week and also during Walk to School Week.

### Safety Day

We would like to organise a safety day to share our safety learning with children from other council groups.

### Safety Tips

We would like to have a monthly safety tip which we will present at assembly to help encourage safety throughout the school.

### Parking Problems

After school the Drop Off Zone gets very busy and it is dangerous for children when they are walking home. We would like to organise a campaign to promote safe parking at the drop off zone.

### Safety Officers

We would like to organise a Safety Officer from each class who will help further promote our safety messages.

## The Role of a Safety Officer

Safety officers will be responsible for:

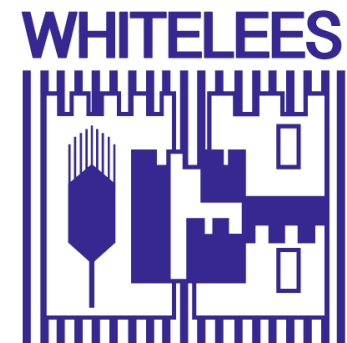

- promoting safety in the classroom.
- distributing and collecting scissors in each class.
- using Britain Gets Talking to help promote mental wellbeing.
- blocking inappropriate websites and games on the iPads.
