

Whitelees Primary School

New Entrants Programme May 2020

We are delighted you have chosen to enrol your child with us here at Whitelees Primary School and look forward to establishing an excellent partnership with you, that will see your little one thrive in all they do!

Previously, you were issued with our Induction Programme, which set out a number of dates for you to visit and be part of Whitelees.

Unfortunately, due to Covid-19 we have been unable to continue with the programme. Fortunately though, you were able to take part in some activities, meet some of our staff team and get to see our wonderful school. As we have been unable to deliver the remainder of our programme, we hope that this digital approach will allow you to somewhat prepare your child for joining Whitelees, whenever that may be.

We have included a presentation that takes you through a 'normal' Whitelees experience, you will however understand that this may not be how days will run for the foreseeable future. Hopefully though, it will allow you and your child to get a taster of what life at Whitelees will be like, prepare for the transition from nursery to primary and hopefully answer any questions you may have about Whitelees.

We hope you enjoy the information and resources we have provided.

Take care and stay safe,

Mrs Laura Murdoch
Acting Head Teacher
