Primary 1/2

Termly Newsletter October – December 2023

Literacy

We will continue to develop our comprehension skills when reading. The children look forward to progressing their writing skills and learning about new sounds.

Play and Outdoor Learning

During outdoor learning we will be learning about Golf and also observing the different types of weather.

Numeracy

This term we will be learning about Place Value, Addition and Subtraction, Estimating and Rounding and Shape.

Number Talks – Number Talks are 5–10-minute activities that help build number sense, mental maths and flexibility with number. This term's focus will be fluency or numbers 1–10.

Interdisciplinary Learning

Our IDL theme for this term is teddy bears. We have been learning all about where they live and what they need to survive.
