Primary 5/6

Maths

This term we will be learning all fractions, decimals and percentages. measure, money, time and patterns and relationships. We will learn all about famous mathematicians and famous sequences.

Number Talks

Number talks are 5-10 minute activities that help build number sense, mental maths, and flexibility with numbers. This term we are focusing on multiplication and division strategies including
- Repeated subtraction
- Partial Products
- Partial Quotients.

Reading

We continue to work on our class reading books using the North Lanarkshire 6 reading strategies. This term we will be focussing on understanding , evaluating and analysing what we have read to make meanings clear.

Writing

In writing we will be applying our grammar knowledge of sentence structure and tenses to develop our writing. We will be focussing on
- Persuasive Writing.
- Recount Writing.
- Instructional Writing.

Health and Wellbeing

Physical Education Focus

Indoor P.E – Monday

Outdoor P.E – Friday

Health and Wellbeing

SHANARRI Indicator Focus
Each month we have a different focus:
January - Active
February – Respected
March - Responsible

STEM

Play
Through our play sessions we will be developing our skills and abilities in STEM through a range of construction and scientific activities. We will have the chance to consolidate and apply our knowledge in maths to help us complete challenges.

Outdoor Learning
We will be using the outdoor environment to help us further understand our work in maths. We will be exploring measure through the use of natural resources, find the area and perimeter of outdoor areas and much more.

IDL
This term we have a class theme of Scotland During WW2. We will be learning all about Scotland's role during the war and the impact it had on Scottish Society. Our next topic will be Eurovision, comparing and contrasting the countries from the Big 5!

Dates for Your Diary
