

Primary 2 Newsletter

Welcome back to our final term! The children are settled back in and ready to work hard.

April
Term 3

Literacy

The children will continue to focus on improving reading fluency and accuracy. Please encourage your child to read for enjoyment at home and practise their word lists together. In class, children will work to better understand and analyse their text through different comprehension tasks.

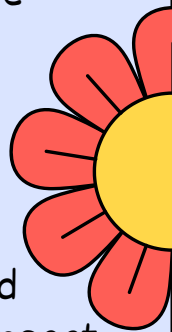

The Children will continue to enhance their writing skills. This term, the focus is on writing more independently whilst creating various narrative texts before moving on to instructional writing. Accurate punctuation and spelling will be emphasised throughout this process.

Maths and Numeracy

In Numeracy and Maths the children will be finishing off their learning on time and duration this month before moving on to solve fractions. They will also learn to interpret and analyse data.

The children will also explore patterns and relationships. We will then reinforce the impact numeracy has within everyday life and work.

Please see our School Newsletter for all important dates for this term!

IDL

Our topic this term will be The Victorians. The children will learn about how the Victorians lived and compare this to modern day life.

Health and Wellbeing

This term for indoor PE Primary 2 will enjoy having an Active Schools Coordination to learn and develop their handball skills.

For outdoor PE our focus will be Hockey and Tennis.

Important change of PE days

Indoor PE - Wednesday
Outdoor PE - Thursday
