Term 3 Newsletter

Apr.
2024

Overview or Term

Our topics this term include Body Systems & Cells, Social Enterprise and rehearsing for the Summer Show. We will be researching the skeleton and major organs. The children will also have outdoor learning focus for a variety of subjects this term.

For health and wellbeing the focus will be Inclusion, specifically that as individuals that we all have strengths and value. In June the health focus will be Relationships, Sexual Health and Parenting. This will include learning about friendships and body parts. (A letter will be sent home prior to this block.)

Important Dates

Please see the school newsletter for all important dates and events

Friday 26th April
P4 dress down day
(ME Time Award Prize)

Literacy

This term the children's taught writing themes will be explanation, persuasive and narrative writing. The children will learn to use genre core targets and to self assess their own work to make improvements. We will be reading novels as a fiction focus and non-fiction text will be explored through research and non-fiction excerpts. The children will develop their skills for reading by working on building skills to answer different types of questions by locating relevant information.

Numeracy:

The children will learn how to collect and to interpret data by carrying out surveys then collating, displaying and analysing the data. After that they will learn about simple equations and expressions, symmetry, coordinates then how to predict probability and chance.

Playing maths games at home will help to consolidate their learning. [Top Marks](#) is a fun site for learning.

Homework will be issued from 22/4. The completion of homework helps to consolidate your child's learning.

PE Indoor Mondays & Outdoor Thursdays

School PE Kit - Indoors plain white t-shirt/ Whitelees white PE t-shirt with black or blue shorts

Outdoor Whitelees blue jumper/ plain blue jumper/ Whitelees blue hoodie, plain white t-shirt/ Whitelees white PE t-shirt with black joggers/ leggings

Welcome to our Term 3 Newsletter

This is the final term for the year and the children will focus on working on their personal targets, this will help them to prepare for P5 and to work towards finishing First Level for Curriculum for Excellence. If you have any enquiries then please message me.
